ON THE COVER: 2018 National Specialty Winner

BISS GCH. LIGHTSPEED CAPRICORN'S THE ONE (Susan & Don Mitchell)

Specialty Judge

WENDY DUGGAN, UNITED KINGDOM

My first Saluki was born in 1973, so my introduction to the Saluki world was well over 40 years ago... time flies! At first I wasn't showing seriously, but was very active in lure coursing. We bred our first litter in 1983, and our first smooths in 1988. We have bred a total of 17 litters, and from those, we have produced at least 35 conformation champions, several Grand Champions, and a handful of coursing titles (both LC and OFC). My husband Brian is also a conformation judge and noted author. Our foundation came from Kenmar-Knoll, to which we have added English lines via Canada as well as the import of a bitch from Glenoak in the UK. Ch. Ziba Indus was also an influential sire in our lines. We imported a smooth bitch from Norway in 2015, who we hope will add to our lines some day.

I have been licensed to judge Salukis since 2007. I am still an active exhibitor, although I primarily show at specialties and supported shows. We have re-entered the world of lure coursing recently, as we have a little bitch who is crazy for the lure. As of this writing, I plan to apply for several more sighthound breeds.

I have judged at the Willamette Valley Saluki Club, Huron Valley Saluki Club, North Cascades Saluki Fanciers, Empire Saluki Club, SCOA Regional specialty and C-FLASH in addition to supported entries at all-breed shows.

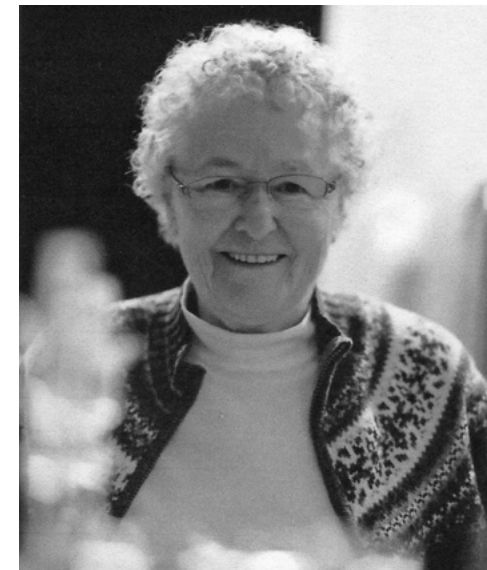

When I judge Salukis, balance is the most important aspect. While I prefer moderation, if the hound presents a balanced picture to my eye, the actual angulation is less important. I like pretty, but plain dogs can hunt just as well. The outline of the hound must say unequivocally "Saluki". Movement should be light and ground covering without working too hard to get around the ring, which is inefficient. A strong rear is critical to the power of a running hound, and while I am less fussy about front movement, it still needs to be without wasted energy. Colour and coat are immaterial to me, I've had most colours and both coats in my own household. I love judging and am most pleased to be invited to judge at such a special venue. Thank you for the honour.

Sweepstakes Judge

CHRISTINE COLE, CANADA

I saw my first Saluki in England in 1954 and was smitten. In 1969, I was in a position to have a pair of Salukis and enjoyed several years with them. Unfortunately my circumstances changed and for a few years I was not able to have any dogs. I have not owned a Saluki since but have watched them at shows whenever possible and always get a thrill seeing a ring full of beautiful hounds.

I am delighted to be invited to judge your Sweepstakes and look forward to seeing some lovely youngsters and beautiful seniors.

The Elana Perpetual Trophy

The Saluki Club of Canada offers a perpetual trophy, in honour and remembrance of Nell Hyde, to be awarded at our national specialties. We thank Carole Adley for her efforts in this project. The inscription reads:

The Elana Trophy in memory of Nell Hyde, Elana Salukis for Top Show/Lure Coursing Saluki

Nell Hyde was a Saluki owner, breeder and exhibitor for 35 years. Her prefix, Elana, is in many pedigrees, and her line was noted for athletic ability, beauty and wonderful temperament. Versatility was important to Nell, and she both showed and lure coursed her dogs with great success. This trophy recognizes the Saluki that has proven conformation to the breed standard and superiority in the lure coursing field during the year.

Champions and Championship Points

Champion (Ch)

Section 15.1.1 A dog awarded Winners at a conformation show shall be credited with a number of championship points (ranging from 0 to 5) and the number of championship points credited to a dog awarded Winners shall be provided hereunder.

Section 15.1.2 The schedule to be employed in the determination of the number of points awarded Winners shall be as follows:

Dogs Competing*	1	2	3-5	6-9	10-12	13 or more
Points Allocated	0	1	2	3	4	5

*includes the dog awarded Winners

In counting the number of eligible dogs in competition, a dog that is disqualified, dismissed, excused or ordered from the ring by the judge shall be included in the calculation for championship points.

Section 15.1.3 If a Dog awarded Winners was also awarded Best of Breed then all dogs competing in the breed, including Specials Only, shall be included in the calculation for championship points.

Section 15.1.4 If a Dog awarded Winners is also awarded Best of Opposite Sex to the Best of Breed, then all dogs of the same sex including those competing for Specials Only shall be included in the total.

Section 15.1.5 If a Dog awarded Winners is also awarded Best of Winners, then all dogs defeated directly or indirectly in the breed shall be included in the total.

Section 15.1.6 If a dog is awarded Winners only, then all the dogs of the same sex in the class competition shall be included in the total.

Section 15.1.7 The number of championship points to be credited to a dog awarded Winners shall be determined by the highest award earned and calculated as per this section.

Clarification: Example of directly or indirectly defeating: If the Winners Bitch is awarded BOS but not Best of Winners, the Best of Winners Male shall be deemed to have indirectly defeated the Specials Bitches, and is thus entitled to add them to the number of dogs and bitches defeated.

Section 15.1.9 A dog may not be credited with more than 5 championship points a single show.

Section 15.1.12 In order for a dog to be recognized as a champion and its owner provided with a Championship certificate, the dog must:

- earn at least 10 championship points under at least 3 judges; and,
- be individually registered in the records of the CKC or have an ERN; and
- have earned at least one 2-point win either at the breed or group level.

Note: Missing 'Sections' are applicable to all-breed-show requirements.

Grand Champion (GCh)

Section 15.2.1 The title of Grand Champion may only be earned after the completion of the CKC conformation Championship.

Section 15.2.2 Points for this title are only accumulated after the completion of the conformation Championship and do not include the points earned in attaining the conformation championship.

Section 15.2.3 To be awarded a Grand Champion title, a dog must attain a minimum of 20 points, which must include a minimum of two (2) wins of at least two (2) points each. Points may be gained at breed, group or Best in Show/Specialty level. Only the highest points earned at a single show are carried forward.

a) Grand Champion Point System

Points towards the Grand Champion title, at breed level, are awarded to the Best of Breed, Best of Opposite Sex, Select Dog and Select Bitch. Points are calculated based on the number of animals competing at the breed level for the Best of Breed winner and the number of similar sex dogs competing for the other three (Best of Opposite, Select Dog, Select Bitch). The following schedule shall be employed in the determination of points awarded at breed level:

Dogs Competing	1	2	3-5	6-9	10-12	13 or more
Points Allocated	0	1	2	3	4	5

Grand Champion Excellent (GChX)

Section 15.3.1 The title of Grand Champion Excellent may only be earned after the completion of the CKC grand championship title.

Section 15.3.2 Points for this title may be accumulated at any time after the completion of the CKC grand championship but does not include the points earned in attaining the conformation championship or the grand championship.

Section 15.3.3 A minimum of 100 points which must include one (A) Best in Show or a Best of Breed at a breed national specialty (where a minimum of ten dogs have competed) plus three (3) Group 1sts or three (3) breed Specialty wins.

Section 15.3.5 The title of Grand Champion Excellent shall not be awarded retroactively. However, dogs that have been awarded the Grand Champion title prior to January 1, 2013, will be awarded the Grand Champion Excellent Title on application to the CKC.

Section 15.3.6 Additional Requirements

To attain a Grand Champion Excellent title, a dog must have been awarded a CKC performance title from any CKC event. A CGN, Herding Tested Certificate, or Chase Ability Program title are not considered performance titles for the awarding of this title.
